

TENNESSEE GENERAL ASSEMBLY
FISCAL REVIEW COMMITTEE

FISCAL NOTE

HB 2299 - SB 2430

March 19, 2014

SUMMARY OF BILL: Authorizes medical laboratories, that are part of a hospital, to store the results of a laboratory test in the electronic medical record of the individual who is the subject of the report and made available to that individual through the individual's patient portal operated by the hospital. Requires the report to be transmitted to the healthcare professional who requested the report.

ESTIMATED FISCAL IMPACT:

NOT SIGNIFICANT

Assumption:

- According to the Department of Health, the provisions of the bill will not have an impact on the state public health labs to the department's programs. Any increase in expenditures is estimated to be not significant and can be accommodated within existing resources.

CERTIFICATION:
